Usual Weather May Cost County Over \$2 Million

Honorable Martin Mississippi State Senator over the dead- tended by the Office of Emergency Preparedness to \$1 for the clearing of trees and debris damaged acreages in County has written George Lincoln, director of Emergency Preparedness in Washington to insure unusual circumstances deterred progress. A breakdown of the report of October 29 ap- ly 49 per cent of the

approved clearing work had not been completed and involved a sum of \$2,103,939.03 which will be lost to the County unless the clearing can be accomplished by the extended deadline of December 31, or a new extension date is set.

A portion of the forest clearing program was completed in 1969, and figures from January 1970 through October 29, 1970 reveal the following:

Office of Emergency Preparedness.

Approvals 4,611, \$2,255,649.24;

Performed 1,705, \$693,939.24; Outstanding 2,906, \$1,561,710.00.

Emergency Conservation Mea-

asures

Approvals 4,894, \$2,051,552.73;

Performed 2,380, \$1,509,323.70

Outstanding 2,514, \$542,229.03.

In his report Senator Smith pointed out that excessive rainfall during the months of September and October had pre-

vented heavy machinery from getting into the boggy and water fields and woodlands. For example rainfall in this county during the month of October and over a period of thirty years has averaged 2.49 inches, yet during October 1970 the rainfall was officially es-

timated at 7.56 inches.

Our Lady of the Gulf Senior CYO is selling Christmas trees which can be reserved by making a down payment. Trees can be picked up the first part of December.

Tickets for purchasing trees can be purchased after 8:30, 10 and 11:30 a.m. masses at O.L.G. or at any time from a CYO member.

O.L.G. CLASSES

Classes at Our Lady of the Gulf School were dismissed at noon Wednesday for Thanksgiving holidays, and will resume Monday, November 30.

Central Dumping Ground Proposed

The Board of Supervisors of Hancock County on Monday in recognition of the ever increasing need for proper garbage and trash disposal within the County unanimously agreed to meet with the Mayors of Bay St. Louis and Waveland for preliminary discussions of the problem.

"What this community needs is a Central Dumping Area", said Mayor Warren J. Carver in an interview Tuesday.

Carver said he felt that a sanitary land fill might take care of Bay St. Louis, Waveland, and the outlying areas of the community including possibly Leakeshore and Clermont Harbor. "In order to do this properly and meet with the requirements of the air pollution program we must set up the best possible way of disposing of trash and garbage", Carver continued. The Air and Water Pollution Control Board has recognized the sanitary land fill as being satisfactory, Carver said.

Problems to be solved include the location of the dump, the cost of the operation, and working out the pro-rata fair share for each participating sector. In discussing the location of the dump area Carver said plans had been abandoned to use the site located out Highway 90 near the Lower Bay Road. Carver said a petition was being circulated making

Youth Center

Donations

Received

Approximately \$6,000 has been donated toward the completion of the Hancock County Veterans Memorial Youth Detention Center, according to Andy Becker who serves as treasurer for the fund collection activity on that project. Becker said: "With an estimated \$3,000 additional we could complete the building.

There is sufficient money already available to put a roof on the structure, Becker said and added the building committee wishes to use a pre-stressed concrete roof since it would be cheaper in the long run and would not require installation of interior finishing. Becker said a contractor has been invited to give an estimate on the cost of the roof and as soon as an agreement is reached the American Legion, sponsoring the building, will authorize the work.

Citizens interested in making donations may leave them at the post office with Postmaster Becker, or send them through the mail.

SESSIONS END

Adult religion discussion sessions under the direction of Rev. Daniel Whelton and Deacon Charles Siebenand, St. Clare's Catholic Church, concluded Monday with a Mass at 6 p.m.

Board Will Consult Attorney General

Although the Hancock County Election Board verified as qualified voters 977 signatures appearing on a petition circulated by Jerry Ladner and opposing Hancock County's compliance with the Southern Building Code a special election will be immediately called pending an opinion from the Attorney General, said the decision made by the Board of Supervisors through adoption of a unanimous resolution on Monday.

In routine matters, a special election may be called when twenty per cent of the qualified voters sign a petition. In this area 925 voters are said to be the required number.

However, the Board of Supervisors voted to adopt the Southern Building Code after it was set up under a directive of the Civil Defense Act. To call a special election would cost the tax payors an estimated "nine or ten thousand dollars", and in the event the public vote is not required it would constitute a needless expenditure of funds.

Should Hancock County rescind compliance with the Southern Building Code those erecting buildings in this area would be deprived of some benefits not up to the Governor's Emergency Council in order to

JOHN BENIGNO

MICHAEL BENIGNO

CLIFTON PIAZZA

Three local youths were killed and a fourth injured around 1 a.m. Friday when the car in which they were riding struck a bridge abutment on U.S. 49 near Hattiesburg.

Mississippi Highway Patrol identified the dead as John Benigno, 19, the driver; his cousin Michael Benigno, 19 and Clifton Emile Piazza, 20.

The only survivor of the accident, Phillip Lee King, 22, of Waveland was taken to Forrest General Hospital where he was admitted for treatment of multiple fractures of the jaw, neck and spine, contusions, and multiple bruises and abrasions of the body. King is listed in fair condition.

Officers stated that the accident occurred during a rain storm.

All were students at Pearl River Junior College in Poplarville and were on their way back to the campus after attending Thursday night's Pearl River-Holmes football game in Goodman.

Philip King is the son of L.R. King.

John Benigno was the son of Mr. and Mrs. John Benigno. He was a graduate of St. Stanislaus High School and a member of Our Lady of the Gulf Catholic Church.

Michael Benigno was the son of Mr. and Mrs. Anthony Benigno and was also a member of Our Lady of the Gulf Church. He was a graduate of Bay Senior High School.

Clifton E. Piazza was the son of Mr. and Mrs. Clinton H. Piazza. A graduate of St. Stanislaus, Piazza was active in the Catholic Youth Organization and a member of the Civil Air Patrol. He was a member of Our Lady of the Gulf.

Joint funeral services for the three youths were held Saturday morning from Riemanns-Fahey Funeral Home followed by a co-celebrated Requiem Mass at Our Lady of the Gulf. Interment was in St. Mary's Cemetery.

Contract Awarded For County Court House Repair Work

The Claude Hogan Construction Company of South Beach Boulevard in Waveland, lowest qualified bidder, was awarded a contract by the Hancock County Board of Supervisors on Monday for repairs to the exterior of the Hancock County Court House. The bid in the amount of \$59,200 covers removal of the cupola, completely re-roofing of the building, repairing all storm-damaged exterior surfaces and thoroughly water-proofing all exterior of the building. A completion date of 65 calendar days was set.

Extensive work is also needed on the interior of the building, however sufficient funds are not available for all needed repairs. Wagner suggested the interior plastering be done on a square yard price basis with the agreement that the architect mark off areas most urgently in need of plastering with a work stoppage when the

allocated \$12,800 ran out. On interior plastering, Wagner recommended the court room should take precedence. On the outside work Wagner said: "Work on the exterior of the building is first in importance."

The Office of Emergency Preparedness allocated \$44,000 toward repairing Camille caused damages to the structure. Reportedly \$21,000 has already been spent on the building. "We are talking in terms of about \$72,000 needed for exterior and part of the interior repairs," Wagner said and added the County will have to come up with about \$35,000.

On Monday afternoon Wagner said he had an interview with representatives from the Office of Emergency Preparedness who agreed to review the analysis of prices. Wagner said he would submit to the O.E.P. representatives documents and tabulations of bids with the hope that a further study of costs may result in an increase in the allocation made by O.E.P.

Leak Detection Survey Planned

A gas leak detection survey is planned for the City of Bay St. Louis, according to a report made by the Mayor and City Commissioners. Cost of the survey has been estimated at \$155 per day, and the number of normal working days estimated to complete the coverage of approximately 2,300 service lines has been set at ten days, or a total estimated cost of \$1,500 according to figures released by Mayor Warren J. Carver.

Carver said the purpose of the survey is to locate the position of the leaks and add that leaks are responsible for about 16 per cent of the gas consumed in the city. The national average of loss of gas caused by leakage is set at 5 per cent, it was said.

Once the leaks are detected, Carver said the city work crew will begin making corrections and repairs. Carver said he did not feel that the leakage of gas was of any significant danger to the community since it was "out in the open", but repairs to correct the leakage would reflect a savings and add to the net revenue in the Gas Department.

No date for starting the survey has been announced. The survey is to be made by the Southern Cross Corporation.

Importance of Jackson Ridge Park Stressful

Talmadge Rayborn, executive director of the Hancock County Chamber of Commerce, in a hearing before the Board of Supervisors on Monday pointed out the importance of developing the Jackson Ridge Park and Playground area. Rayborn said the county was not cultivating one of its major monies, that of tourist trade, in Mississippi, according to Rayborn's report, the tourist trade constitutes the No. 1 industry.

Pointing out the necessity of providing suitable trailer camp facilities, Rayborn said trailer camps would need sewerage connections and electrical hook-ups. Camping vacationers are said to spend an estimated \$40 per day, Rayborn said, and added this county has natural beauty plus good fishing and hunting grounds to attract tourist, Rayborn said: "I believe Jackson Ridge would bring in money if developed."

Russell Elliott, president of the Board of Supervisors, and possibly other members of the board, attended on Tuesday and Wednesday in Jackson, a seminar on Tourism in Mississippi. Elliott said upon his return from the seminar and in a report to be given at a board meeting further consideration on development of tourist trade in this county would come before Board members for discussion.

Freezing Temperatures For This Area

First report of freezing temperatures for this area were received on Tuesday morning from Roy Bunter of Pearlington who said his thermometer at 5:30 a.m. on Tuesday was 26 degrees.

Bunter said pipes had frozen in some of his out buildings and also under the Martin Book Sheds. By 9:15 a.m. Bunter said his thermometer reading was 36 degrees.

A later check with the NASA weather recording facility verified the accuracy of the reading.

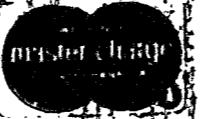

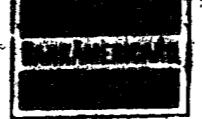

THIS TRUCK, owned by Bayview Concrete Co., Pass Christian, overturned Tuesday morning at the corner of Second Street and Highway 90. The driver of the truck was not injured.

Escrow Money Will Be Used

The Jourdan River Shores, through their representative, Buddy Broadway, received permission from the Hancock County Board of Supervisors during Monday morning's meeting to use a portion of escrow funds to meet expenditures in connection with development of Phase 1 in financing street paving, sewerage system construction, and water facilities. The escrow money is to be used on a pro-rata basis and with the recommendation of the Hancock County Planning Commission. In the escrow account is approximately \$80,000.00. By a previous agreement the Jourdan River Shores developers placed in escrow a sum of \$400 for each lot sold to insure the sub-division developers would provide paved streets, potable water, and a sanitary sewerage system in compliance with regulations.

Broadway said the Jourdan River Shores developers were working closely with assistant county engineer, Don Murray, on the street paving projects; that a contract had been approved for the installation of the water system. Plans, Broadway said, had also been approved by the State Board of Health and the State Air and Water Pollution Board.

The resolution which passed unanimously specified no funds from the escrow account would be used except within the development of Phase 1 of the sub-division and that funds would be drawn in proportion to the amount of completed work.

Contractors

Meet Tonight

Delmar E. Wilcox, president of the Hancock County Electrical Contractors' Association, urges all building trade men to meet with him tonight at Trapani's Restaurant on Highway 90 and at 7:30 p.m. for the purpose of forming a Council of Building Tradesmen. "Everyone is welcome", said Wilcox. We would like to see a turn out of carpenters, plumbers, sheet metal workers, electricians -- just everyone involved in the construction of homes."

Wilcox said: "We are going to have to develop a code in this county and it is necessary to form a council of men who want to elevate the standards of construction." By organizing a group of craftsmen, Wilcox says, rules and regulations can be established to prevent outside contractors from performing substandard work and leaving the area. Wilcox said a council of tradesmen would be of benefit to the builders and to the craftsmen and contractors.

After his first game at William Carey Regret Nepler, sports editor of the Hattiesburg American wrote "All he did was hit 16 or 23 from the field and 10 or 12 from the free throw line for 42 points, pull down 15 rebounds -- tops for either team -- block a half dozen shots, make a like number of steals and record several assists . . ." Mike is now second on the all time scoring list at William Carey with a 20.1 average. He made honorable mention All-American for the past two seasons and is a probable choice for All-American this season. He is the team's leading scorer for three seasons and in 1970-71 co-captain. Mike is a senior.

Anthony Ladner has to be ranked among the greatest careers from Hancock County but the misfortune of being a year behind Mike and was somewhat overshadowed by the great Neocles. After Neocles had been graduated he attended one of Bay High's games in which Ladner scored 31 points and sold over the P. A. system "I hereby bestow the name 'Go-Go'" (Mike was known nationally by that handle) upon Anthony Ladner. Anthony's average is 15.4 points per game for the William Carey junior varsity and averaged 16.3 last season. He is an all-around athlete and played on the 1968 National Assn. of Intercollegiate Athletics championship baseball team.

Game time is 8 p.m. Monday Nov. 30. Bay High coach J. E. Lofcino is ticket chairman and tickets may be obtained at Bay High or at the door at \$1.50 for adults and \$1 for students. The event is sponsored by the Bay High Boosters Club, James Ginn, chairman, and proceeds are earmarked for dressing rooms at Tiger stadium.

Miss Linda Moll Weds Ronald Cuevas

The Holy Name of Jesus Church, New Orleans, was the setting for the wedding of Miss Linda Moll, daughter of Mr. and Mrs. George Moll, of New Orleans, to Mr. Ronald Cuevas, son of Mrs. Irma Cuevas and the late Edward Cuevas of Pearlington.

Rev. Canisius Hayes, S.T. of Kiln, officiated at the double ring ceremony. The church was beautifully decorated with bouquets of white gladiolus and stephanotis.

The bride entered on the arm of her father, accompanied by the traditional Wedding March. She wore a white velvet gown of her own creation, fashioned in the empire style with mouton fur trim and pill box hat and fingertip veil. She carried a mouton muff adorned with one orchid, red roses and stephanotis.

Miss Cheryl Burton of New Orleans served as maid of honor. Mrs. Linda Gobb, also of New Orleans was matron of honor.

The bridesmaids were Miss Carol Moll, sister of the bride, Miss Sheila Cuevas, cousin of the groom and Mrs. Kim May all of New Orleans. Ricky Moll brother of the bride was the ring bearer and P.E.G. Wilson of Pearlington was flower girl.

The bridesmaids and the flower girl wore empire style moss green velvet dresses, white fur hats and muffs with red roses. They each wore cameos, a gift from the bride.

Serving the groom were Samuel Romano, Jr., Ronald Gras and Allen Lewis.

Dennis Dauphin was best man. Eugene Fisher and Harry Wilson were ushers.

Following the reception at the Arrow Room on Jefferson Highway the happy couple flew to Nassau, Bahamas.

About three hundred guests were on hand to wish them Godspeed.

Those attending were: Rev. Bernard McDonald, pastor of St. Joseph's, Mrs. Irma Cuevas, mother of the groom, Mr. and Mrs. Stanley Yarborough, Mr. and Mrs. Howard Yarborough, Mrs. Olive Yarborough, Mr. and Mrs. Harry Wilson, Mr. Michael Wilson, Miss Patricia Giveans, Mr. Paul Kelly, Mr. Jake Richmond, Miss Rita Kelly, Mr. and Mrs. Claude Pitman, Mrs. Genevieve Cole, Mrs. Albert Talbot, Mrs. E. G. Kelly and Miss Pam Cuevas.

The bride graduated from High School in New Orleans and attended L.S.U. N.O. She is employed by the Dutel Title and Law Firm in New Orleans.

Editor, Sea Coast Echo:
The Gulf View Haven Nursing Home is the finest one on the entire Gulf Coast. It is situated where the Reed Hotel was, facing the Gulf of Mexico. The home is staffed day and night with a very capable staff of professional nurses and nurses aides to care for the patients at all times.

I have been a resident here for about 3 months and I get a great deal of attention from everyone. I feel that I am fortunate to be here, and all of the patients here seem happy and content in this beautiful home.

Signed by a very "Greatful Patient."

MRS. BELLE PENROSE

Editor, Sea Coast Echo:
The Bay-Waveland Garden Club has, today, written to Mayor Carver and Commissioners Arcansca and Frisbie, commending them on their appointment of Mr. Felix Seeger as Custodian of Public Grounds.

The Club would also like to go on record commending the Sea Coast Echo for its visual record of Mr. Seeger's accomplishments since taking over this job.

There is no doubt in our minds but that Mr. Seeger's know-how in the horticulture field, coupled with his innate sense of beauty, makes him the person most qualified for this work, and it is the hope of the members of the Garden Club that if he is not now a permanent member of the Mayor's staff, he be appointed same, so that his efforts in rehabilitating and beautifying area after areas around the City can be utilized even after the Hurricane devastation is cleaned up entirely.

Yours most sincerely,
ETHEL EVANS

Mrs. Clarence A. Evans
(Acting Corresponding Secretary - Bay - Waveland Garden Club.)

Editor, Sea Coast Echo:
Yesterday someone stole my beautiful American Flag which I flew so proudly each day in front of my residence.

Since it was carefully removed from its halyard by releasing the cloths, perhaps the thief took it because it is beautiful and stands as a symbol of our country. Perhaps the thief also wished to fly this splendid banner of our freedom in all its superb glory and did not have one of his own. If this be the case - then I forgive him.

But if the thief stole it for purposes of desecration and disrespect, then I cannot find it in my heart to forgive him.

Yours truly,
GRACE H. OPPENHEIM**Franklin J. Ramond**

The week-long observance of Farm-City Week ends Thanksgiving. The period is set up annually to point out the interdependence of urban and rural people.

It is designed to bring about a better understanding between rural and urban people and to increase the knowledge and appreciation of each for the American way of life.

Farm people and city people cannot very well get along alone today. Each is dependent on the other for products and services that are essential in today's living.

Today's farmer relies on the skills and abilities of a vast number of specialists to assist him in his job of providing food and fiber for the nation. He couldn't operate for one week if these services were not available. Likewise, the businesses that serve agriculture could not exist without the farmer.

This is what Farm-City Week is all about. Its purpose is to promote a widespread working understanding between the two groups and to narrow the gap that sometimes exists between the urban and rural sections of our population.

Forestry ReportMike Hendry
County Forester

County Forester Mike Hendry of Hancock County announced that the Mississippi Forestry Commission equipment and personnel are available for contract firelane construction work.

No limitation is set on the number of miles of firelanes that can be plowed for any landowner, but it is the policy to plow firelanes for as many timber owners as possible. In cases where requests for this service exceeds the capacity of personnel and equipment, the smaller jobs will receive priority. This will permit the service to continue to be available to the greatest number of landowners.

A written contract between County Forester Hendry and the landowner must be signed before any work is performed. A joint agreement will be made in advance that the fire lane construction work will be on an actual cost basis. This cost will be \$9.50 per hour. The landowner will be held responsible for furnishing boundary line information to Commission employees.

The Commission equipment will continue to be available for firelane plowing so long as it does not interfere with the primary function of suppressing wild woods fires. Funds received from this activity will be credited to the Forestry Commission budget in Hancock County for the purpose of maintaining and advancing the County forestry program.

Hancock County landowners interested in this fire protection service should contact County Forester Mike Hendry at phone 467-5473.

Serving as pallbearers were Don Lasher, Edward Welden, Gary Holtzman, Kenny Lohr, Aaron Brontz and Lon

The United Nations has redoubled its security arrangements. The glass monolithic down by the East River now is patrolled by scores of guards and fenced off by timber barricades. If their purpose is to keep honest out and hypocrisy within, they are doing an excellent job.

Put the poor UN! She is dead at 25—dead or so nearly dead as not to matter, done in by the vipers, the victim of her own internal bleeding. The conditions on Rhodesia, the crookedness of South Africa, the reality that is Red China—in the gross folly of its approach to these matters, the UN trades on the beat of muffled drums.

Even the United States, America, to our shame, signs along in this lugubrious choir. And in our own case, the hypocrisy is especially contemptible. Our own U.S.A., continuing existence, just as Rhodesia by breaking away as a colony of Britain. Our own record of blacks was worse by far than Rhodesia's. We sanctioned man slavery in the suppression of our land. Who is the United States, considering the plight of the American Indians to gaze upon sinful Rhodesians say, "We are held in

The United Nations was created 25 years ago on the specific understanding that it would not interfere in the domestic affairs of member nations. This was the indispensable rule. But in the majority of South Africa, that indispensable rule would be dispensed with. Apartheid is a flagrant violation of the government of South Africa; but apartheid is immoral; therefore, let the credentials of that government's delegation be put to challenge.

This is the logic of lunatic asylums. Rhodesia is, South Africa is, Israel is, East Germany is, Cuba under Castro is, Red China is. And so, for that matter, Formosa is, and the 14 million Chinese who have fashioned a viable state on

A little stream that meanders down through the western part of Hancock County was the scene of some of the most interesting and exciting events that took place in that region in the old days. It is called by the old Indian name of Catahoula Creek. On its banks at the old location of Center was built the first court house and county seat of Hancock County about 1812, and Jackson's army crossed it a year later on the way to the battle at Chalmette.

But times changed; bigger towns were established along the Pearl River, and today only a handful of small communities and scattered farm houses dot the beautiful country along Catahoula Creek—these and memories of the exciting days when the Copeland gang roamed the trails through the deep pine woods. And the only remainder of those times today are faint traces of excavations here and there along the creek where gold hunters of a later day have dug for a fabled buried cache of treasure.

This gold was the bloody harvest of the Copeland Gang, probably one of the most vicious groups of thugs and assassins in the history of American crime. Young James Copeland joined a group of young cut-throats in Alabama and quickly became their leader because of his daring and ruthlessness. The gang came to Mississippi early in the '30's after robbing the district around Mobile and robbing and burned homes and murdered citizens all over the southern part of the state, but especially in the Pearl River and Catahoula Creek areas. Here they tortured homesteaders into revealing their hidden money, then callously murdered them, stripped the homes of everything of value, then burned them and ran off the slaves and livestock. The law enforcement machinery of the day was understandably weak and even the militia seemed reluctant to go after a gang of such desperate criminals.

After a couple of years of marauding along the Gulf Coast, the Copeland Gang eventually returned to the Mobile district where they committed more murders, including two men who "talked too much," and in come way got their hands on a considerable fortune, three full bags of gold coins. Loading these on mules, they made their way by secret paths through the forest back to their favorite haunts along Catahoula Creek. Here Copeland and two of his lieutenants, secretly buried the bags in widely scattered places near the creek and marked the cache on a map, of which each man kept a copy. The gang then scattered, through the Pearl River towns and Copeland built a house for himself in what was then called Copeland.

Hancock Bank Mails Christmas Club Checks

\$87,125.00 in savings during 1970, Leo W. Seal, Jr., president of the bank, said today that Christmas Club checks were put into the mail this afternoon (November 26) for delivery to club members by the weekend.

This money adds greatly to the local economy of every Mississippi Gulf Coast community when Christmas shoppers buy at home," Mr. Seal said. "But many club members also use this saving plan to purchase savings certificates, to start or add to saving account, for year end taxes, bills, insurance premiums and to add to college education saving programs for their children."

Each year the amount saved and the number of those who join the Christmas Club program have increased steadily. This year's total shows an increase of \$26,429.00 over 1969. This marks the 56th year the club plan has been offered to Gulf Coast residents by Hancock Bank. It was initiated on the Coast by the bank in 1914 and has continued annually with the exception of World War I when savings were converted

Trash Collection

The trash collection schedule for the city established by Felix Seeger and in connection with the Bay St. Louis Clean-Up and Beautification Campaign has been completed. Those wishing to have trash collected are asked to notify the police officer on duty at 467-4736 giving name and address. Seeger said he would schedule trash pick-ups according to date of requests and service would be provided as rapidly as possible.

Letters of appreciation have been sent out to those assisting with the Clean Up Campaign and citizens are urged to continue efforts to maintain cleanliness within the city.

for the purchase of Liberty Bonds.

Christmas club accounts are available in payment classes from fifty cents to \$10 a week, or any combination of the six classes depending on the amount to be set aside for next Christmas. In addition to the weekly payment plan, participants may have payments deducted from their checking accounts each month to apply to their Christmas savings fund. The 1971 club will begin on Monday (November 30) at all ten bank locations.

MRS. ARTHUR CHAPMAN III

Goodwin-Chapman Vows Exchanged

A recent wedding of much interest was that of Miss Ruthie Goodwin, daughter of Mrs. Wilbur Roush Goodwin and the late Mr. Goodwin, of Forest, Mississippi, and Mr. Arthur Jay Chapman III, son of Mrs. Arthur Jay Chapman, Jr., and the late Mr. Chapman, of Bay Saint Louis.

The marriage was solemnized on Saturday, October 31, at 2 o'clock in the afternoon at Our Lady of the Gulf Church in Bay Saint Louis, in an autumn setting of daffodil yellow, gladioli and bronze pompon chrysanthemums and greenery.

Monsignor James J. Hanon performed the double-ring ceremony with the Reverend Gregory Johnson assisting at the concelebrated Mass. Given in marriage by her brother, Mr. James M. Goodwin, the bride wore a gown of bridal white satin, fashioned on flowing lines, and on the finger of the finger of the young couple was caught to her head with a cluster of Venice lace, and she carried a cascade bouquet of white cymbidium orchids.

Miss Judy Mc Comb, vocalist, and Mrs. John Mc Kenna, organist, provided musical selections for the ceremony.

Tall candelabra entwined with autumn-hued blossoms decked the bride's table for the reception at the United Methodist Church fellowship hall. Mrs. Goodwin, gowned in a mint green silk alaskine dress, was assisted in receiving by Mrs. Chapman whose gown was of champagne silk alaskine. Both wore corsages of orchids.

Following the wedding, the young couple are at home in Bay Saint Louis.

Heitzmann Elected

Tax Assessor George Heitzmann attended the Tax Assessors conference in Jackson recently.

Mr. Heitzmann, who was elected to serve a third term as chairman of the Legislative Committee, also served as president of the Association in 1968. Under the Mississippi Statute, Tax Assessors meet annually with the State Tax Commissioners in November.

Mr. Calvert L. Smith, of

Parish Social Hears Choir

Joseph H. Benvenuti, Our Lady of the Gulf Parish Council president, served as master of ceremonies at the Parish social held recently. Very Rev. Gregory Johnson, pastor, gave the invocation.

Bay Choral aires, a formal name given a singing group comprised of O.L.G. senior choir and members from choirs of other denominations, presented a program covering inimitable, patriotic, popular and sacred songs which was enjoyed by an audience of approximately 275.

The affair concluded with community dinner.

Mrs. Stella Gou, Entertainment Chairman, and Mrs. Lawrence Jacobi, co-chairman, were assisted by members of the social committee.

Garden Club Names Hat Show Winners

Bay-Waveland Garden Club met Thursday, November 12, in the American Legion Home, Green Meadow Road, with Mrs. George L. Seuzenau, Jr., president, presiding and Mrs. W.W. Baltor, Jr., giving the devotional.

Because of the combined meeting, hat show and luncheon a brief business session was conducted during which time it was noted that an announcement was made at the board meeting stating that Mrs. Dan M. Russell Jr. and Mrs. Paul M. Miller had completed a course in flower show judging and are now National accredited judges.

"This Land Is Ours," was selected as the theme for the spring flower show, Mrs. David Peranich told the group.

Mrs. Reuben Gray reported progress is being made on the Garden Center building and it possibly will be ready for the December meeting.

Mrs. Seuzenau noted Bay-Waveland is an honor roll club.

Historian and writer, Grady Thigpen, of Picayune said: This year marks the 350th anniversary of the arrival of the Pilgrims at Plymouth Rock, December 21, 1620. Let us pause to give thanks, as did our Pilgrim forefathers on that first Thanksgiving.

Plays presented by the Little Theatre during the 1970 season have been DON'T DRINK THE WATER, CAMELOT, YOU CAN'T TAKE IT WITH YOU, GENERATION, and WAIT UNTIL DARK.

Throughout the year an elaborate system of evaluation by out-of-town judges has been in effect, and on the day of presentation of awards score sheets will be taken from a bank deposit box and tallied by an official of the bank and a committee of Little Theatre board members. Results will be placed into envelopes which will remain sealed until the moment of presentation of each coveted Louis.

Since seating in the Yacht Club is limited, tickets for the gala will be offered first to Little Theatre members and their guests. After December 5 they may be obtained by non-members at De Montluzin Drug Store and at the Sunshine Gift Shop in downtown Bay St. Louis. Price of the tickets has been set at \$6 per person.

Garden Club Plans Tour

Mr. Frank J. Corcoran and Mrs. H. L. Model welcomed Lumberton Garden Club members and guests to the former Forrest St. Clermont Harbor home on the afternoon of November 15.

There was a most gratifying turn out of the club's membership and five new members were welcomed into the club. Mrs. John Everard, Mrs. Edmund Hugh, Mrs. Monroe James, Miss Thelma McCrory and Mrs. Kirkland S. Sheams.

As a result of a poll taken by a nominating committee consisting of Mrs. John Bordagno and Mrs. Lloyd Garcia, it was the consensus that the club's present officers, Mrs. J. E. Sorrell, Pres. - Mrs. W. A. Richardson, V. P. - Mrs. Frank Peterson, Treas., and Mrs. Henry Kohman, Secy., remain in office for another year.

Thanksgiving and Christmas arrangements were featured with Mrs. Monroe James winning for her lovely Thanksgiving entry and Mrs. J. R. Fecoglio's beautiful entry winning in the Christmas category.

Mr. Russell Elliott, President of the Hancock County Board of Supervisors, was the speaker, outlining for the club what can be done by individuals to help elected officials do a better job. He also outlined plans which are presently being worked on as well as plans for the future as far as our coastal area is concerned.

Mr. Lucien Kidd was also a guest and made available his knowledge regarding local affairs.

A tour is being planned for club members through Mr. El-

Volunteers Attend Two-Day Meeting

"Only about 25 per cent of the children who should be immunized have received the rubella vaccine," Mrs. Mae Tudury said today.

The rubella (German Measles) vaccine and other means of preventing birth defects were the focus of a two-day March of Dimes program orientation meeting that Mrs. Tudury attended in New Orleans, La. She is chairman of the Hancock County Chapter of the National Foundation-March of Dimes.

Other volunteers from Hancock County attending the meeting were Mr. and Mrs. John Rutherford, Jr., Bryan Russell, Mrs. Charles Johnson, vice-chairman, Francis Luca, Beverly Binsar, Lillian Chapman, Cathay Johnson and Connie Zimmerman.

According to Mrs. Tudury, the 1964-65 epidemic of rubella damaged or destroyed some 50,000 American babies during pregnancy. To help prevent another epidemic, volunteers from Miss. and neighboring states were urged to continue assistance in immunization programs with local health de-

Servicemen Crusade

The crusade to obtain freedom and humane treatment for American servicemen held prisoners in Southeast Asia by Communist forces will be continued by V.F.W. Post 3253 of Bay St. Louis, Miss., Commander Albert D. Biehl, Jr., announced today.

Commander Biehl said a massive letter writing campaign to the North Vietnamese delegation to the Paris Peace Talks was being launched by the V.F.W.

"All Americans are invited to join in this vital project," he said. "Our men are being subjected to barbaric physical and mental subjugation and we firmly believe that if our country shows it is united over this issue this inhumane treatment will stop and they will be released."

The letters are to be addressed to Xuan Thuy, Delegation of the Democratic Republic of Vietnam; 8, Avenue General Leclerc; 94 Choisy-le-Roi; Paris, France.

They is chief negotiator for North Vietnam, Commander Biehl explained. Cost of postage is only 20¢ and the letters should contain the following points: (1) The names of all Americans held (prisoners of war and missing in action) be released. (2) Humane treatment of all held. (3) The return home of all prisoners starting immediately with the sick and disabled.

The Post and its Ladies Auxiliary recently circulated petitions urging freedom and humane treatment for American POWs held by the North Vietnamese, Viet Cong and other Communists in Southeast Asia. "More than 2 million signatures were gathered by V.F.W. members throughout the United States," Commander Biehl reported. "V.F.W. Commander-in-Chief Herbert R. Rainwater personally sought to deliver them to the North Vietnamese delegation in Paris but they callously refused to see him or to even receive the petitions.

"This rebuff will not halt us," Commander Biehl said. "Commander-in-Chief Rainwater firmly believes that a show of concern — that Americans are united over the well-being of our POWs — will result in better treatment and eventual freedom for these men."

Law School Admission

Test December 19

The Law School Admission Test, required of candidates for admission to most American law schools, will be given at the University of Southern Mississippi Dec. 19.

Test supervisor, Dr. H. E. Lucy cautions that the closing date for registration is Nov. 27. Information and test forms may be obtained by writing to the Department of Political Science, H. W. Chapman School, University, or to Law School Admission Test, Educational Testing Service, Box 944, Princeton, N.J.

Dr. Lucy points out that since many law schools select freshman classes in the spring preceding entrance, candidates for admission to next year's classes are advised to register for the December testing.
